## Key 8x8 Question: What is the greatest contribution I can make to Anthem Church and God's Kingdom over the next 8 weeks?

\*This is worth praying about, considering where the church is headed, thinking about your top 10 list, looking over the upcoming church calendar, checking teamwork for project deadlines, and recognizing any time you may be on PTO. Please run a draft by your team leader and get their approval (initials at top right) before finalizing.
